

Strayer University Career Center

Visit the [Strayer Career Center](#) to find a variety of resources to help you with your career questions.

Career Exploration

There are three main steps to discovering career options: understanding yourself, understanding the world of work, and then putting it together.

Investigate your options:

- [Find Your Path](#)
- [Career Exploration Guides](#)
- [CareerOneStop - Explore Careers](#) (*external website*)
- [Exploring Career Options using O*Net](#) (*video*)
- [O*Net Online](#) (*external website*)

Career Change

Many professionals seek to make a career change but aren't sure how to make the transition. Learn strategies for making a career change:

- [Changing Your Career](#)
- [Gaining Experience](#)
- [Micro-Internship Platform](#)

Job Search

Learn strategies for conducting a successful job search:

- [Conducting a Job Search](#)
- [Career Connect](#) visit this job board to browse available jobs
- [Federal Work](#)

Affinity Groups

Find links and resources for specific student populations:

- [Criminal Convictions](#)
- [First Generation](#)
- [Individuals with Disabilities](#)
- [LGBTQ+](#)
- [Mature Workers](#)
- [Military to Civilian](#)
- [Students of Color](#)

Resumes and Cover Letters

Your resume and/or cover letter is often your first impression to an employer. Create standout application materials:

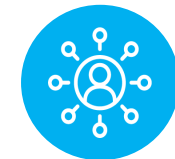

- [Cover Letters](#)
- [Resumes](#)
- [Document Review Service](#)

Interviewing

Ace your interview. These resources can help you prepare:

- [Interviewing Tips](#)
- [Interview Prep Tool](#)

Networking

Most jobs are found through networking, not by applying to online job boards. Build and engage your professional network:

- [Networking Strategies](#)
- [Strayer Mentoring Platform](#)
- [LinkedIn](#)
